

FALL CREEK ELEMENTARY
CARDINAL COUNTY FAIR 2017
Benefiting Those Affected by Hurricane Harvey
PARTNERSHIP LETTER

Fall Creek Elementary PTO has a great appreciation for the families and businesses that have supported us over the years. Due to the devastation caused by Hurricane Harvey, we are taking a different approach to this year's Cardinal County Fair (CCF) and would like to make you, our valued partner, aware of the change.

We have decided to move forward with the fair during this sensitive time for our community, as we'd like to provide a fun atmosphere for all while raising money for those affected. We have a few in our own staff that were directly affected by Hurricane Harvey. Our FCE family and community can continue to come together to help those in need!

All net proceeds from this year's CCF will go to our school staff and other organizations that support the relief of those affected by the aftermath of Hurricane Harvey.

FCE COUNTY FAIR DATE: SATURDAY, OCTOBER 14, 2017
11am to 3pm

As in previous years, the Cardinal County Fair is enjoyed by FCE students and families as well as all Fall Creek residents and their families. Our students, families, friends and neighbors look forward to the County Fair because it is a fun activity for the entire family. This year's CCF will still include many old-fashioned carnival games, outdoor attractions, a large dining tent, silly string corrals, great music, delicious county fair food, a teacher's raffle and much more!!!

Our partners made the CCF a TREMENDOUS success last year and we look forward to raising money to support this cause this year with our teachers and community in mind. The CCF offers local businesses a great targeted marketing opportunity. Hundreds of potential customers live within 2 miles of local businesses and many of them attend FCE.
